

# Celebrating 50 Years

Founded in 1964

*One of the largest distributors in the United States, American Tile & Stone is a leader in providing a wide range of excellent products.*

*American Tile & Stone founder, Clarence Dowdy was a long-time tile contractor who envisioned owning and operating a company like American Tile & Stone. The first store opened in Fort Worth, Texas and continued to grow with locations in Dallas, Houston, Austin and San Antonio.*

*In 1995 American Tile & Stone was purchased by Acme Brick Company and since 2000 has been a member of the Berkshire Hathaway family led by Warren Buffett.*

*With a diverse selection of ceramic and porcelain tile, natural stone products, decorative glass tiles and more, American Tile & Stone offers the most popular tiles of today. Choose from gorgeous, impressive shapes, sizes and styles that deliver incredible performance. From floors and walls to counter-tops and patios, American Tile & Stone has taken great pride through the years in working diligently to exceed our customers expectations and create custom designs that are perfect for any space.*
